Remarks: The proposed regulation contains a delegation from the DCI to the Director, EEO. This normally requires that the regulation be signed and approved by the DCI. Subsequent revisions or modifications would not require DCI approval. The format of the regulation and the form of the delegation tie in with the problems raised in the attached memorandum on Delegation of Authority. This memorandum is in the hands of the A/DDM&S. <div style="text-align: right;">  AEG </div>
